NOTES

- I. The Ministry of Corporate Affairs, Government of India (“MCA”) vide its General Circular Nos. 20/2020 and 10/2022 dated 5th May 2020 and 28th December 2022, respectively, and other circulars issued in this respect (“MCA Circulars”) and Circular No. SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated 5th January 2023 (“SEBI Circular”) allowed conducting of AGMs through Video Conferencing/ Other Audio-Visual Means (“VC/ OAVM”) facility without the physical presence of members at a common venue. In compliance with these Circulars, provisions of the Companies Act, 2013 (“Act”) and SEBI (Listing Obligations and Disclosure Requirements Regulations, 2015 (“Listing Regulations”), the 43rd AGM of the Company is being conducted through VC/ OAVM facility. The deemed venue for the 43rd AGM shall be the Registered Office of the Company.
- II. The AGM being held pursuant to the MCA Circulars and SEBI Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. Since the AGM will be held through VC/ OAVM, the Route map is not annexed to this Notice.
- III. Corporate Members and other non-individual shareholders authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting or e-voting during the AGM, are requested to send scanned copy (PDF/JPG) of its Board or governing body Resolution / authority letter, together with attested specimen signature of the duly authorized signatory through email to the Company at cs@srsi.in.
- IV. The Explanatory Statement setting out material facts, pursuant to Section 102 of the Companies Act, 2013, in respect to Special Business at Item No. 3 of the accompanying Notice is annexed hereto.
- V. A brief resume of the director proposed to be re-appointed along with other disclosures as stipulated under Regulation 36(3) of the Listing Regulations and Clause 1.2.5 of Secretarial Standard on General Meetings(SS-2), are annexed hereto.

- VI. Pursuant to the provisions of Section 91 of the Companies Act, 2013 and Regulation 42 of Listing Regulations, the Register of Members and Share Transfer Books of the Company will remain closed from Saturday, 9th September, 2023 to Friday, 15th September, 2023 (both days inclusive) for the purpose of the AGM.
- VII. Copies of the Notice of the 43rd AGM along with the Annual Report for the year 1st April, 2022 to 31st March, 2023, instructions for e-voting and instructions for attending AGM through VC/OAVM, is being sent through electronic mode only to the members whose email addresses are registered with the Company/Depository Participant(s). Members may note that the aforesaid documents will also be available on the Company's website www.srsl.in, websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com and NSDL i.e. www.evoting.nsdl.com (the authorised agency for providing voting through electronic means and AGM through VC/OAVM). Company's web-link as mentioned will also be provided in advertisement being published in Financial Express (English edition) and Business Remedies (Hindi edition). Further, those members who have not registered their e-mail addresses and mobile nos. and in consequence could not be served the Notice of the AGM and Annual Report may temporarily get themselves registered with RTA by emailing for obtaining the same.
- VIII. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act and the relevant documents referred to in the Notice will be available electronically for inspection by the members. Members seeking to inspect such documents can send an e-mail at cs@srsl.in.
- IX. Members seeking any information with regard to Accounts may write to the Company 7 (seven) days before the date of the AGM.
- X. In terms of SEBI Circular dated 09/12/2020, the depository shall send SMS/email alerts regarding the details of the upcoming AGM to the demat holders atleast 2 days prior to the date of commencement of e-voting. Hence members are requested to update the mobile no./email ID with their respective depository participants.
- XI. SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat account. ANNEXURE- 5

MANAGEMENT DISCUSSIONS AND ANALYSIS REPORT

The management of Shree Rajasthan Syntex Ltd. is presenting the Management Discussion and Analysis Report covering the operations and financial performance of the Company for the financial year 2022-23. The core business of the Company is manufacturing and marketing of synthetic blended yarn, cotton yarn and polypropylene multifilament yarn.

➤ BUSINESS OVERVIEW

The Company is one of the important players in man made fibre spinning with following capacity:

Units	Location	Products	Capacity
Syntex - Division	Simalwara Road Dungarpur	Synthetic Yarn	27,744 SPINDLES
Texchem - Division	Simalwara Road Dungarpur	(i) Synthetic Yarn (ii) Polypropylene Multi filament Yarn	31,488 SPINDLES 2,000 TPA
Polycot - Division	Simalwara Road Dungarpur	Cotton yarn	18,048 SPINDLES

➤ INDUSTRY STRUCTURE AND DEVELOPMENTS

- The textile industry is one of the most significant industries for the Indian economy. The industry is one of the largest employers in India, employing more than 45 million people directly and 60 million people indirectly.
- Due to its fragmented nature, the textile industry employs more in the unorganized sector especially in the rural areas and hence, it is of vital importance.
- The textile industry can be segmented into Natural Fibres and Man Made Fibres (MMFs) based on the use of basic raw material, cotton or crude derivative respectively. Among the various MMF product in the synthetic and cellulosic segments, polyester and viscose forms about 80% of total domestic consumption. Globally man-made fibres is the most dominantly consumed textile fibre.
- While the industry would face stiff competition from established players in the sector - China, Taiwan, South Korea, etc., increasing labour and manufacturing costs in these countries would give ample opportunities for Indian players. The Indian industry could attract global investments to produce high value-added MMF.
- The yarn sector is witnessing a change in demand trend. Increasing popularity of synthetic textiles in India – in line with global trend – is expected to create structural changes in Indian yarn industry, which is dominated by cotton textiles.
- Realizing the importance of the textile industry to the Indian economy, the government undertakes various measures through multiple governing bodies viz. Ministry of Textile, Ministry of Finance, Ministry of Rural Development, and Ministry of Human Resource Development. The government has allowed 100% FDI under the automatic route in the textile and clothing sector.
- The National Technical Textiles Mission was proposed in the Union Budget for 2020 -21. It will be active till 2023 – 24 with an estimated expense of Rs 1480 crore for the betterment of the textile industry.
- The Sustainable Textiles for Sustainable Development (SusTex) project by the United Nations Climate Change entity enhances the employment and working circumstances of textile artisans while promoting the sustainable production and use of environment friendly textiles.
- Top players in the sector are achieving sustainability in their products by manufacturing textiles that use natural recyclable materials.
- With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the past decade with the entry of several international players like Marks & Spencer, Guess and Next into the Indian market. The growth in textiles will be driven by growing household income, increasing population and increasing demand by sectors like housing, hospitality, healthcare, etc.

➤ INDUSTRY OPPORTUNITIES

- The future for the Indian textile industry looks promising, buoyed by both strong domestic consumption as well as export demand.
- Currently Indian yarn industry is dominated by cotton yarn. However, world over the usage of synthetic textile is gaining popularity due to the advantages it offers. Additionally, increasing cost of cotton, which results in increasing cost of cotton textiles, is also helping in the growth of synthetic yarn. Although cotton yarn would continue to hold the largest share in Indian yarn industry, its domination is expected to diminish in the coming years.

3. India intends to advance the manufacturing capabilities of its man made fiber (MMF) apparel and fabrics and technical textile products under the *Production Linked Incentive* (PLI) Scheme. Achieving this objective will enable the country's textile industry to gain a larger market presence, enhance its global competitiveness, and generate employment opportunities. India hopes to achieve the target of US\$250 billion-worth textiles production and US\$100 billion in exports by 2030.

The Production Linked Incentive (PLI) Scheme for Textiles for Promoting MMF and Technical Textiles is designed to facilitate the establishment of sustainable enterprises and foster a competitive textile industry in India.

4. The Skill India and Make-in India programs of Central government headed by Prime Minister Shri Narendra Modi is helping the industry in getting required skilled manpower and good market for textile products. It is an opportunity for the textile industry to upgrade their technology and implement ERP to streamline supply chain and enhance customer relations management activities.
5. The structural reform of The Goods and Services Tax (GST) is expected to provide a boost to the economic growth and investments in the long run.
6. India's textiles industry has around 4.5 crore employed workers including 35.22 lakh handloom workers across the country.

➤ **INDUSTRIAL CHALLENGES**

Even though India's textile industry is a huge contributor in terms of exports, industrial output and employment, like China's, India's domestic industry is not without its challenges.

1. **Higher input costs compared to competing nations**

India has one of the highest costs of capital compared to most competing countries which affects the cost of production and thus its competitiveness. Also, the power cost in India is much higher compared to competing nations.

2. **Low technology level**

The Textile Industry suffers from the use of low and outdated technologies. In general, spending on R&D, product development etc. by textile companies in India is quite low.

3. **Cyclical ups and downs & Demand adversities**

There has never been a continuous positive growth rate in textiles products for a longer time periods. Some times it was treated as a cyclical ups and downs, some times the demand adversities have really dented the growth.

4. **High debt servicing cost:**

The industry requires to give high debt servicing cost and with the lending rates in India in the range of 12 to 14%, they are significantly higher in comparison to the competing countries like China. The complete textile chain is not covered in the TUF Scheme and thus a large capital investment needs to be made at a very high rate of interest.

➤ **RISK AND CONCERNS**

- a. **Raw material availability**

Though India is having sufficient availability of raw materials, namely, cotton, man made fibres and silk but factors such as low rain fall in the cotton growing areas, increase in crude oil prices in the international markets for basic raw materials of man made fibres and increase in logistic cost may effect the availability of raw material and competitiveness of the industry.

- b. **Power availability**

Most of the textile mills in India, particularly in north and western parts are dependent on power supply by self-generation using coal as fuel due to lower availability of power from the government. Because of increase in cost of coal the cost of generation of power is increasing which may affect the competitiveness of the Industry.

c. Currency risk

Since the textile industry has a major portion of its revenue from exports, Indian rupee relationship with foreign currencies such as US Dollar is important. The industry hedges currency risks by forward currency cover against sale contracts. Hence movement in foreign currency vis-à-vis rupee has direct impact on exports realization and import cost. The volatile movement of Rupee against the US Dollar is a serious concern for the industry.

d. Government Policies

The Textile Industry is highly dependent on the Government Policies on various matters. Frequent changes in the taxation policies bring instability in the industry.

➤ **PRODUCT WISE PERFORMANCE OF THE COMPANY**

Chart given below gives the break up of sales between the domestics and export markets for the last 3 years:

(Rs. In Lakhs)

Revenue from operations	2022-23	2021-22	2020-21
Sale of Product			
- Domestic	2054.63	2127.44	1855.81
- Export	NIL	NIL	NIL
Sale of Service			
- Income from Job Work	3108.90	2950.01	1807.28

The current yarn portfolio of SRS� can be classified into 3 main categories-Grey yarn, dyed yarn and PPMF yarn.

❖ **Grey Yarn:** Grey yarn is produced using blends of different synthetic fibre such as polyester/viscose, 100% viscose yarn, 100% polyester fibre yarn and pure cotton. These qualities are produced in Shree Rajasthan Texchem division and Shree Rajasthan Polycot division of the Company. The Company has niche markets for 100% viscose fibre yarn. Specialty fibre yarns were developed for industrial and home textile applications.

❖ **Dyed yarns:** Dyed yarn is produced at Syntex division of the Company. These yarns are relatively higher value added products and made according to customers specifications of blend, counts and shades. The Company has speciality in producing home textile dyed yarns for end use such as carpets, tapestry and upholstery. However, the dyed yard remained non-operational throughout the year.

❖ **PPMF Yarn:** Polypropylene multi filament yarn is produced at Shree Rajasthan Texchem division of the company at Dungarpur; POY and texturised yarn is produced for knitting, socks and furnishing applications. BCF yarn is produced for carpet applications.

➤ **OPERATIONS**

During the year under review, the Company' s operations continued to be affected due to non availability of working capital for operations resulting in lower capacity utilisation and constrained margins due to high cost of Raw Material at uneconomical buying. Furthermore, the Company has not been able to undertake necessary regular capital expenditure as per industry norms for proper maintenance and upkeep of plant and equipment due to paucity of funds.

The Company produced 5011.92 M.T. of yarn valuing Rs. 5103.54 Lakhs during the period under review as against 5824.76 M.T. of yarn valuing Rs. 5044.56 Lakhs produced during the last year. During the year, there were no exports.

➤ OUTLOOK

Yarn is an intermediary product, and its demand is dependent on the demand sentiment prevailing in the downstream industries, namely apparels and home textiles. In the case of Indian yarn industry, apart from demand from downstream industries, export sentiment too has a bearing. This is because India is a major exporter of yarn, supplying cotton yarn to countries like China and Bangladesh. This export forms an integral part of the domestic yarn industry, contributing to its steady growth.

➤ DEVELOPMENTS IN HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The Company recognizes the importance of Human Resource as a key asset instrumental in its growth. The Company believes in acquisition, retention and betterment of talented team players. HRD activities are taken in the Company involving positive approach to develop employees to take care of productivity, quality and customer needs. The Company has to make constant efforts to manage labour shortages. To develop skilled labour, training facilities are provided to the employees in house or by deputing them to the machinery suppliers and to training institutes for specific training.

The Company has well developed management information system giving daily, monthly and periodical information to the different levels of management. Such reports are being analyzed and effective steps are taken to control the efficiency, utilization, productivity and quality in the Company. As on 31st March, 2023, the employee strength of the Company stood at 244 while on 1st April, 2022 it was 257.

➤ **INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

The Company has adequate internal control system commensurate with its size and nature of business. The internal control systems are complemented by various Management Information System (MIS) reports covering all areas. The management reviews and strengthens the controls periodically.

Apart from self-monitoring of the internal controls, there is a Chartered Accountant firm appointed to conduct internal audit of the Company's operations as approved by the Audit Committee. This firm presents their important observations to the Audit Committee that is chaired by an Independent Director. The internal auditors provide a reassurance to the affirmation given by the Management that the control systems are effective, operational and adequate.

The Audit Committee takes due cognizance of the observations made by the auditors and gives their suggestions for improvement. The suggestions of the Audit Committee further ensure the quality and adequacy of the control systems.

The internal control ensures that all assets were safeguarded and protected against loss through unauthorized use or disposition and transactions were authorized, recorded noticed and reported correctly. While operating managers ensure compliance with their areas, internal auditors carry out audit test on randomly selected samples and report on non-compliance or weakness if any through internal audit reports of the respective unit/areas. These reports are reviewed by the management and then by Audit Committee of the Board for follow up action.

A report of Auditors pursuant to Sec 143(3)(i) of Companies Act, 2013 certifying the adequacy of Internal Financial Control is annexed with the Auditor's Report.

➤ **CAUTIONARY STATEMENT**

REPORT ON CORPORATE GOVERNANCE

1. Company's Philosophy on Code of Corporate Governance

The Company believes that Corporate governance provides a structure that works for the benefit of everyone concerned, by ensuring that the enterprise adheres to ethical standards, laws and accepted best practices. It imbibes the basic business ethics and values that need to be adhered to in letter and spirit. We believe that a transparent, ethical and responsible corporate governance framework essentially emanates from the intrinsic will and passion for good governance ingrained in the culture of the organisation. The Company has sought to consistently focus on good corporate governance by increasing transparency and accountability to its Shareholders and other Stakeholders. The Company wishes to be a responsible partner in society, acting with integrity towards its shareholders, customers, employees and the Government. Therefore, we ensure highest standards of corporate behaviour towards everyone we work with, the communities we touch and the environment on which we have an impact. In India, Corporate Governance standards for listed companies are regulated by the Securities and Exchange Board of India (SEBI). We believe, Corporate Governance is just not a destination, but a journey to constantly improve sustainable value creation. It is an upward moving target that we collectively strive towards achieving. Our multiple initiatives towards maintaining the highest standards of governance are detailed in the following pages.

➤ **Ethics / Governance Policies**

The Company adheres to ethical standards to ensure integrity, transparency, independence and accountability in dealing with all stakeholders. In this direction, the Company has, inter-alia, adopted the applicable codes and policies which act as enablers to carry out our duties in an ethical manner.

➤ **Observance of Secretarial Standards issued by the Institute of Company Secretaries of India**

The Secretarial Standards on the Meetings of Board of Directors (SS-1) and General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI), one of India's premier professional bodies, are adhered to by the Company.

INDEPENDENT AUDITOR'S CERTIFICATE ON COMPLIANCE WITH THE CONDITIONS OF CORPORATE GOVERNANCE AS PER PROVISIONS OF CHAPTER IV OF SECURITIES AND EXCHANGE BOARD OF INDIA (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015 (AS AMENDED)

To the Members of
Shree Rajasthan Syntex Ltd.

1. The Corporate Governance Report prepared by Shree Rajasthan Syntex Ltd. ("the Company"), contains details as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations") ('applicable criteria') with respect to Corporate Governance for the year ended March 31, 2023. This report is required by the Company for annual submission to the Stock exchange and to be sent to the Shareholders of the Company.

Management's Responsibility

2. The preparation of the Corporate Governance Report is the responsibility of the Management of the Company including the preparation and maintenance of all relevant supporting records and documents. This responsibility also includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Corporate Governance Report.
3. The Management along with the Board of Directors are also responsible for ensuring that the Company complies with the conditions of Corporate Governance as stipulated in the Listing Regulations, issued by the Securities and Exchange Board of India.

Auditor's Responsibility

4. Our responsibility is to provide a reasonable assurance in the form of an opinion whether the Company has complied with the condition of Corporate Governance, as stipulated in the Listing Regulations.
5. We conducted our examination of the Corporate Governance Report in accordance with the Guidance Note on Reports or Certificates for Special Purposes and the Guidance Note on Certification of Corporate Governance, both issued by the Institute of Chartered Accountants of India ("ICAI"). The Guidance Note on Reports or Certificates for Special Purposes requires that we comply with the ethical requirements of the Code of Ethics issued by ICAI.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.
7. The procedures selected depend on the auditor's judgement, including the assessment of the risks associated in compliance of the Corporate Governance Report with the applicable criteria. The procedures includes but not limited to verification of secretarial records and financial information of the Company and obtained necessary representations and declarations from directors including independent directors of the Company.
8. The procedures also include examining evidence supporting the particulars in the Corporate Governance Report on a test basis. Further, our scope of work under this report did not involve us

performing audit tests for the purposes of expressing an opinion on the fairness or accuracy of any of the financial information or the financial statements of the Company taken as a whole.

Opinion

9. Based on the procedures performed by us as referred in paragraph 7 and 8 above and according to the information and explanations given to us, we are of the opinion that the Company has complied with the conditions of Corporate Governance as stipulated in the Listing Regulations (except as mentioned in the report), as applicable for the year ended March 31, 2023, referred to in paragraph 1 above.

Other Matters

10. This Report is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.
11. The Company's application to National Company Law Tribunal (NCLT) under Pre-Packaged Insolvency Resolution Process Scheme u/s 54A read with section 10 of the Insolvency Bankruptcy Code, 2016 has been admitted.

Restriction on Use

12. This Report is addressed to and provided to the members of the Company solely for the purpose of enabling it to comply with its obligations under the Listing Regulations and should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care or for any other purpose or to any other party to whom it is shown or into whose hands it may come without our prior consent in writing. We have no responsibility to update this Report for events and circumstances occurring after the date of this Report.

Independent Auditors' Report

To The Members of
Shree Rajasthan Syntex Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Shree Rajasthan Syntex Limited** ("the Company"), which comprise the Balance Sheet as at 31 March 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, the loss and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We draw attention to Note no. 41 to the financial statement regarding the preparation of the financial statements on a going concern basis. The Company has accumulated losses as on March 31, 2023, its current liabilities are substantially higher than current assets and has defaulted in repayment of borrowings. These conditions indicate the existence of a material uncertainty on the Company's ability to continue as a going concern. The Company's application for Pre-Packaged Scheme u/s 54A read with section 10 of the Insolvency Bankruptcy Code, 2016 has been admitted. In view of the management's expectation of a successful outcome in the coming days, the Statements have been prepared on going concern basis. Our conclusion is not modified in respect of this matter.

**Emphasis of matter**

We draw attention to the following matters: -

a) As stated in Note No. 41 to the financial statements, the company has not made any provision for the amount towards penal interest, penalty, etc. as may be charged by the lenders. Further, In the absence of statements of accounts from banks, the company has recognized interest expense on an estimated basis taking reference of the last sanctioned interest rates charged by the banks.

b) As stated in Note No. 54 to the financial statements, for the year ended March 31, 2023, the value in use of Polycot Division being in excess as compared to the carrying value, as estimated by a technical valuer, which is not operating. We are unable to comment upon the achievability of future cash flow projections as well as its impairment provision, if any as per IND AS 36 "Impairment of Assets".

Our conclusion is not modified in respect of the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the "Material Uncertainty Related to Going Concern" section, we have determined the matters described below to be the key audit matters to be communicated in our report. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

Key audit matters	How our audit addressed the key audit matter
Litigation, claims and other contingencies (as described in note 40 of the financial statements)	
<p>As indicated in Note 40, the Company is involved in various litigations and claims. This risk of litigations and claims would have a significant financial impact if the potential exposures were to materialize.</p> <p>The amounts of claims may be significant and estimates of the amounts of provisions or contingent liabilities are subject to significant management judgement.</p> <p>This matter has been determined to be a key matter, since the aforementioned cases requires significant judgements by</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> • Obtained an understanding of identification process relating to litigations and claims and contingent liabilities and evaluated the design and tested the operating effectiveness of controls in respect of process • Assessed the progress of all significant contingencies, consideration of any evidence of legal disputes. • Evaluated management's assessment of the likely outcome and potential exposures arising from significant contingencies subject to

Also, obtained legal confirmation letters on sample basis from external legal counsels. <p>Based on the above procedures, we found that the Management's assessment to be reasonable.</p>
--	--

We have determined that there are no other key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Company's management is responsible for assessing the ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on 31 March 2023 taken on record by the Board of Directors, none of the directors is disqualified as

on 31 March 2023 from being appointed as a director in terms of Section 164(2) of the Act;

- f. The going concern matter described in the “Material Uncertainty Related to Going Concern” Section above, in our opinion, may have an adverse effect on the functioning of the Company.
- g. With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to financial statements and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting;
- h. With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197 of the act, as amended. In our opinion, the managerial remuneration for the year ended March 31, 2023 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- i. With respect to the other matters to be included in the Auditors’ Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 40 to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. No dividend has been declared or paid during the year by the Company.
- vi. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 (as amended), which provided for books of accounts to have the feature of audit trail, edit log and related matters in the accounting software used by the Company, is applicable to the Company only with effect from financial year beginning April 01, 2023, the reporting under clause Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended), is currently not applicable.

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements section of our report to the Members of Shree Rajasthan Syntex Limited of even date)

Report on the matters specified in paragraph 3 of the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Companies Act, 2013 ("the Act")

- i. In respect of the Company's Property, Plant and Equipment and Intangible Assets: -
 - a. (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, Plant and Equipment and relevant details of right-of-use assets.
(B) The company has maintained proper records showing full particulars of intangible assets.
 - b. The Company has a program of physical verification of high value Property, Plant and Equipment and right-to-use assets to cover all the assets once every three year which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain plants and machinery were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification. Other Plant and equipments were not verified during the year.
 - c. Title deeds of all immovable properties (other than properties where the documents are with lending banks as equitable mortgage for which we have not received any confirmation letter from the banks), disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
 - d. The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
 - e. No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. (a) The physical verification of inventory has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by the Management is appropriate. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory and have been properly dealt with in the books of accounts.
(b) The Company has not been sanctioned/renewed working capital limits during the year. Since the accounts are NPA, the banks have freezed working capital limits sanctioned in earlier years. No quarterly returns or statements has been filed with the Banks.

Annexure B to the Independent Auditors' Report

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Shree Rajasthan Syntex Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Shree Rajasthan Syntex Limited as of 31 March, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of such internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls Over Financial Reporting with Reference to Financial Statements

A company's internal financial controls over financial reporting with reference to financial statements are a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with Reference to Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to financial statements to future periods are subject to the risk that the internal financial controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note – 1 – Company overview

Shree Rajasthan Syntex Limited ("The Company") was incorporated on November 15, 1979. We at SRS� have served the Textile Raw Material chain for several years. This has been possible due to our fair and ethical business practices and contribution of all members of staff and workers of the company. Using best available manufacturing practices and technology from our machinery partners, we have always aimed at delivering "Efficient Solutions" to our customers.

Note – 2 – Basis of preparation of financial statements

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost conversion on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) rules, 2015 and relevant amendments rules issued thereafter.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements are presented in Indian Rupee ('INR') which is also the functional and presentation currency of the company.

2.1 Summary of significant accounting policies

a. Revenue recognition

Revenue is recognised at the fair value of the consideration received or receivable. The amount disclosed as revenue is inclusive of excise duty and net of returns, discounts and exclusive of Goods and Services Tax.

The company recognizes revenue when the amount of revenue can be measured reliably and it is probable that the economic benefits associated with the transaction will flow to the entity.

(i) Sales of goods

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods are transferred to the buyer and the entity retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold.

The performance obligation in case of sales of goods is satisfied at a point in time i.e., Revenue from export sales is recognized on the basis of bill of landing while Domestic sales is recognized on the basis of ex-factory dispatch as may be specified in the contract.

(ii) Rendering of Services

Revenue from rendering of services is recognized over time by measuring the progress towards complete satisfaction of performance obligations at the reporting period.

Revenue is measured at the amount of consideration which the company expects to be entitled to in exchange for transferring distinct goods or services to a customer as specified in the contract,

excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government). Consideration is generally due upon satisfaction of performance obligations and a receivable is recognized when it becomes unconditional.

In case of discounts, rebates, credits, price incentives or similar terms, consideration are determined based on its most likely amount, which is assessed at each reporting period.

(iii) Export Incentives

Export benefits/incentives are accounted for on accrual basis.

(iv) Insurance and Other Claims

In accordance with the consistent practice, insurance and other claims, to the extent considered recoverable, are accounted for in the year relevant to claim while the balance is accounted for on settlement.

b. Employee benefits

(i) Short term Employee Benefits

Short Term Employee Benefits are recognized as an expense on an undiscounted basis in the statement of profit and loss of the year in which the related service is rendered.

(ii) Post Employment Benefits

(a) Defined Contribution Plans

Provident Fund

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service.

(b) Defined benefit plans

Gratuity

The Company's gratuity scheme is a defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation carried at the year end using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognised in profit or loss on the earlier of:

- (a) The date of the plan amendment or curtailment, and
- (b) The date that the Company recognises related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

Compensated absences

Benefits under the Company's leave encashment constitute other employee benefits. The liability in respect of leave encashment is provided on the basis of an actuarial valuation done by an independent actuary at the year-end using the Projected Unit Credit Method. Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss.

c. Property, plant and equipment

Property, plant and equipment are carried at cost of acquisition less accumulated depreciation. The cost of an item of Property, plant and equipment comprises its purchase price, including import duties and others non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price.

Cotton Yarn Unit (Polycot Yarn Division) is stated at cost without availing CENVAT, and Thermal Power Plant is stated without availing Service CENVAT. All costs including financing costs till commencement of commercial production and adjustment arising from exchange rate variations relating to borrowings attributable to the Property, plant and equipment are capitalized.

Property, plant and equipment under construction are disclosed as capital work in progress.

Recognition:

The cost of an item of property, plant and equipment shall be recognised as an asset if, and only if:

- (a) it is probable that future economic benefits associated with the item will flow to the entity; and
- (b) the cost of the item can be measured reliably.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Gains or losses arising from de-recognition of assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of profit and loss when the asset is derecognized.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

d. Intangible assets

Intangible asset represents computer software acquired by the Company carried at cost of acquisition less amortisation. The cost of an item of intangible asset comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price.

The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern. Such changes are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognised in the statement of profit and loss, unless such expenditure forms part of the carrying value of another asset.

Shree Rajasthan Syntex Limited**Notes forming part of the financial statements for the year ended March 31, 2023**

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its Intangibles recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the Intangibles.

e. Depreciation and amortisation expenses

Depreciation on Property, plant and equipment is provided on the straight-line method, as per useful life prescribed in Schedule II to the Companies Act, 2013. Further for amortisation of intangible assets useful life is 3 years to 5 years.

Pursuant to Companies Act, 2013 ('the Act') being effective from 1 April 2014, the Company has aligned the depreciation rates based on the useful lives as specified in Part 'C' of Schedule II to the Act.

Assets costing Rs.5000/- or less acquired on or after 1.7.1993 are fully depreciated.

The company provides for depreciation on following plant & machinery considering the same as continuous process plant.

(i) Filament Yarn Division, Spun Yarn Division and Cotton Yarn Division

(ii) Power Generation Equipments

Freehold land and leasehold land are not depreciated.

Depreciation on additions is provided on a pro-rata basis from the date of acquisition/installation. Depreciation on sale/deduction from fixed assets is provided for upto the date of sale/adjustment, as the case may be.

f. Inventories

Inventories are valued at the lower of cost and net realisable value. Cost of inventories includes all costs incurred in bringing the inventories to their present location and condition. Cost of inventories has been determined as under:

Raw Material	At Batch cost
Work in progress	a) Preparatory stage - at cost b) Yarn stage - at cost or net realisable value, whichever is lower
Finished Goods	At cost or net realizable value whichever is lower.
Traded stock	At Cost of purchase or net realizable value whichever is lower.
Stores and Spares	At First In First Out method.
Waste and scrap	At Net realisable value
Fuel	Monthly moving weighted average

g. Borrowing costs

Borrowing costs that are attributable to the acquisition of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

h. Leases

Effective April 1, 2019, the Company adopted Ind AS 116 “Leases” and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method on the date of initial application. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the right of use asset at its carrying amount.

The Company’s lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

The Company recognizes a right-of-use asset (“ROU”) and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

i. Income taxes

Income tax expense represents the sum of current and deferred tax (including MAT). Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit and are accounted for using the Balance Sheet approach. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognized for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilised. Deferred tax assets and liabilities are measured at the applicable tax rates. Deferred tax assets and deferred tax liabilities are off set and presented as net.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised.

Credit of MAT is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the profit and loss account and shown as MAT credit entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.

j. Earnings per share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period.

Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value.

k. Foreign Currency Transactions

The functional currency of the company is Indian rupee. These financial statements are presented in Indian rupee.

In preparing the financial statements, transaction in foreign currencies are recognised at the rates of exchange prevailing at the dates of the transactions. Exchange differences arising on foreign exchange transactions settled during the period are recognised in the Statement of profit & loss of the period.

The foreign currency monetary items are translated using the closing rate at the end of each reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency is translated using the exchange rate at the date of the transaction. Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements is recognised in profit or loss in the period in which they arise. All other foreign exchange gains and losses are presented in the statement of profit and loss on net basis.

l. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Initial Recognition and measurement

On initial recognition, all the financial assets and liabilities are recognized at its fair value plus or minus transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability except financial asset or financial liability measured at fair value through profit or loss. Transaction costs of financial assets and liabilities carried at fair value through the Profit and Loss are immediately recognized in the Statement of Profit and Loss.

(ii) Subsequent measurement

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset is measured at fair value through profit and loss unless it is measured at amortized cost or at fair value through other comprehensive income.

Financial liabilities

The financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payable maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

m. Impairment of assets

(i) Financial assets

The company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss.

Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in Statement of Profit or Loss.

(ii) Non-financial assets

The carrying amounts of assets are reviewed at each balance sheet date in accordance with Ind AS 36 'Impairment of Assets', to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortisation, if no impairment loss had been recognised.

n. Cash and cash equivalents

The Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with a maturity period of three months or less from the balance sheet date, which are subject to an insignificant risk of changes in value.

o. Provisions and Contingencies

A provision is recognized when there is a present obligation as a result of past event and it is probable that there will be an outflow of resources in respect of which a reliable estimate can be made. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognised.

2.2. Significant accounting judgements, estimates and assumptions

The preparation of the company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Judgements

In the process of applying the company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

a) Contingent Liabilities:

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal and constructive claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence and potential quantum of contingencies inherently involves the exercise of significant judgement and the use of estimates regarding the outcome of future events

b) Estimates and Assumptions:

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the company. Such changes are reflected in the assumptions when they occur.

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a DCF model. The cash flows are derived from the budget for the next five years and do not include restructuring activities that the company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes. These estimates are most relevant to goodwill and other intangibles with indefinite useful lives recognised by the company.

c) Taxes:

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

d) Defined benefit plans:

The cost of the defined benefit gratuity plan and other post-employment benefits and the present value of the gratuity obligation and other post-employment benefits are determined using actuarial

valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

The fair value of financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties in an orderly market transaction, other than in a forced or liquidation sale.

Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

c) Financial risk management

The Company has an Audit Committee of the Boards which has the responsibility to identify the risk and suggest the management the mitigation plan for the identified risks in accordance with the risk management policy of the Company. The risk management policies are established to ensure timely identification and evaluation of risks, setting acceptable risk thresholds, identifying and mapping controls against these risks, monitor the risks and their limits, improve risk awareness and transparency.

These risks include market risk (including currency risk and interest rate risk), liquidity risk and credit risk.

(i) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprise three types of risk: foreign currency risk, interest rate risk, investment risk.

Foreign currency risk management

The Company is currently not dealing in foregin currency,therefore no risk arising from foregin currency transactions

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk because funds are borrowed at both fixed and floating interest rates. The borrowings of the Company are principally denominated in rupees and the Company has exposure to interest rate risk, arising principally on changes in base lending rate.
