Location : *Dungarpur, Rajasthan*
Work Profile : *Ring Frame Doffer*
Wages after Training : *10600/- per month + PF + ESI*

Candidate's experience of PMKVY training program: “I was a hopeless girl doing nothing at my home. My father is working as a labour and hardly earn 5200/- per month . There are eight members in my family who depends on my father’s income so he was not able to full fill the basic requirement of my family therefore I had to discontinue my study after 8th class. One day some persons from SRSL were doing a meeting in my village. I also attended the meeting and I came to know about PMKVY training program. During the counseling I have selected ring frame department and I have done all the classes regularly. My trainer always improved my courage. After the completion of my course I found many changing in myself. Before training I was shy by nature and a dull girl. But After the training I have full confident and motivation. Currently I am working in SRSL Syntex unit as ring frame doffer and earning more then 10,000.00 rupees per month. Thanks to PMKVY and SRSL , who gives me an opportunity for change my life. – .. Roshni Yadav
